AMERICAN SOCIETY OF SAFETY ENGINEERS

Here's how you benefit from

Student Membership in ASSE...

ABOUT THE SOCIETY

Formed in 1911, the non-profit American Society of Safety Engineers (ASSE) is the largest and oldest professional safety organization. Based in Des Plaines, Illinois, ASSE has over 30,000 occupational safety health and environmental members who manage, supervise, research and consult on safety, health, transportation and environmental issues in all industries, government, labor and education. ASSE is a global organization that works to advance the technical, scientific, managerial and ethical knowledge and skills of occupational safety, health and environmental professionals, and is committed to protecting people, property, and the environment.

ASSE provides such services as education, public affairs, government affairs, and involvement in national and international safety standards development, technical publications, and timely communications on safety advancements worldwide. Safety, health and environmental professionals help prevent workplace injuries and illnesses, create safer work and leisure environments, and develop safer products. For more information, visit ASSE's website at www.asse.org.

ONLINE TOOLS

- ✓ Access the job market through www.NEXSTEPS.org, ASSE's premier job information database
- ✓ Search for jobs and internships, post your resume as well as review valuable interviewing and resume tips
- ✓ Connect with a career mentor
- ✓ Post career-related questions on the A-List listserv, ASSE's safety, health and environmental discussion group

NETWORKING

Build your contact base with more than 30,000 SH&E professionals around the globe. Connect with more than 1,200 fellow Student Members. Be a leader in an ASSE Student Section and get involved in our global network of Chapters and Sections where professional development, networking and job opportunities are available.

CUTTING-EDGE ARTICLES ABOUT THE SAFETY, HEALTH AND ENVIRONMENTAL PROFESSION

Online access to ASSE's Professional Safety magazine is one of the many benefits of membership. A mail subscription to the journal is also available for an additional \$17.50 per year.

AREAS OF EXPERTISE

ASSE's Practice Specialties and Branches offer in-depth information on emerging issues in specific areas of the safety, health and environmental profession. Each practice specialty provides a newsletter, information, and additional networking opportunities. Choose one Practice Specialty for FREE with your first year of membership.

SCHOLARSHIP OPPORTUNITIES

The ASSE Foundation fully supports student activities and has awarded over \$85,000 in scholarships in one year. For more Foundation information visit www.asse.org/foundat.htm.

QUALIFICATIONS FOR STUDENT MEMBERSHIP

- Enrollment full-time or part-time in an accredited college degree program intended to prepare you for practice in the safety profession or one of its relevant specialties
- Declaration of intent to enter the safety profession or one of its relevant specialties
